**AUTHORIZING THE DISPOSAL OF HADDON TOWNSHIP FIRE DISTRICT #1
AMBULANCE AS OBSOLETE AND FURTHER AUTHORIZING THE DONATION OF
THE VEHICLE AND INCLUDED EQUIPMENT TO THE WESTMONT EMS**

WHEREAS, emergency medical services in Haddon Township Fire District #1 are provided through a contract between the District and Westmont EMS, a not-for-profit volunteer organization; and

WHEREAS, the District currently owns and maintains three ambulances for use in the District; and

WHEREAS, the District evaluated the need for three ambulances and determined that the District can effectively provide this service through a reduction of the fleet down to two ambulances; and

WHEREAS, the District owns and maintains a 2010 Ford Horton ambulance that is no longer needed for public purposes; and

WHEREAS, the District desires to donate this vehicle to Westmont EMS so that Westmont may use the vehicle for EMS purposes or, in the alternative, dispose of the vehicle through sale and use the proceeds of such sale to purchase needed EMS equipment and supplies; and

WHEREAS, the District owns the vehicle free and clear and of any financing obligations;

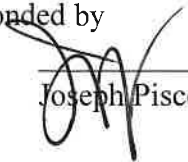

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the Haddon Township Fire District #1, in the Township of Haddon, Camden County, New Jersey, that the District hereby donates the 2010 Ford Horton Ambulance to the Westmont EMS, Inc. in "as is" condition and the District makes no warranty to its continued fitness for duty and Westmont EMS shall title the vehicle in its name and either use it for its purposes, except responding to medical calls within the District, and it may dispose of the vehicle and use the proceeds for the purchase of other EMS services and equipment; and

BE IT FURTHER RESOLVED, when the Board of Commissioners purchases and takes delivery and ownership of a new ambulance in 2022 or 2023 for District purposes, it shall similarly donate the District's 2015 Ford Horton to Westmont EMS for similar purposes so that the District shall continue to own and maintain an ambulance fleet of only two vehicles.
